Dispatches from Philadelphia announce that the winter rates for steam and anthracite coal are to go into effect December 1. The August prices are to be continued throughout November. The cold weather has so increased the demand that surplus stocks are being fast depleted, and it is said the Reading company has decided to rescind the orders issued recently to close some of its colleries. The winter prices are to be about 25 cents a ton higher than those of August.

Was only able to get permanent relief through the use of Wine of Cardui which cured me in three months. I have been in good health for a year, and have therefore every reason to believe that I will remain so. NINEOG

I was cured, but in a short time the trouble would come back and was only able to get permanent relief through the use of Wine of

Many people think that patent medicines are worthless but if all women who are suffering and sick as I was could have my experience with Wine of Cardui they would change their mind.

I really had not known a well day since I was fifteen, as I suffered at the menstrual period, sometimes with

I had such pains in my back that I could not lie down and could not find a comfortable sitting position and that is the way a week out of a month had to be endured for years.

Of course I had tried different remedies for my trouble and sometimes I would feel sauch better and think

Wine of Cardui is a medicine that can be taken in the privacy of the home with the same benefit as if it were prescribed by the best physician in the world. This simple treatment never fails to properly institute menstruation and allows the patient to quietly assume the dignity of womanhood without any shock whatever. Miss Dockendorf could have avoided all her suffering if she had taken Wine of Cardui at first and every mother should supply her daughter with this great medicine before the coming of womanhood. The good effects of the medicine will be felt throughout her life. Wine of Cardui is a medicine which cures both young and old women. It is a positive relief for irregular and painful menstruation at any stage. It cures bearing down pains and all the ailments which attack weak and nervous women.

Take Wine of Cardui and secure health like Miss Dockendorf secured it. All druggists sell \$1.00 bottles of Wine of Cardai.

Miss Maggie Dockendorf.
